

Powerpire Investor Information Guide

Frequently Asked Questions (FAQs)? We Have Answers!

1. Can I have more than one account?

- No, if caught, all accounts will be forfeited.

2. How many days a week does the company trade?

- Powerpire trades and generates profit 7 days a week since the crypto market operates 7/24, and returns are calculated 7 days a week

3. When can I withdraw my earnings and commissions?

- Withdrawal of earnings depends on the investment plan: some plans allow for weekly withdrawals (on weekends), others daily, and some after each contract cycle.

4. Can I compound my earnings?

- Users can manually reinvest profits up to 3 times, except for the Regal accreditation, which allows only one reinvestment.

5. Can I withdraw my capital?

- Users must leave %25 of their capital unless they choose to deactivate their account.

- For accounts that have not been active for a full 90 days, withdrawal processing can take up to 92 days. Additionally, a %21 principal withdrawal fee applies if investments are not maintained for at least 90 days.

6. Is there a top-up requirement on the investment plans?

- A top-up of %30 of your total balance is required after 3 reinvestments, enabling continuation of reinvestment on that plan one more time before upgrading to the next plan.

7. How does the Affiliate Program work?

- Powerpire operates on a one-tier affiliate system where users receive a %10 referral commission on the first deposit of their referral. Upon qualifying as a representative or marketing affiliate, individuals can earn weekly or monthly rewards ranging from \$500 to \$7,000.
